Dear Sir:

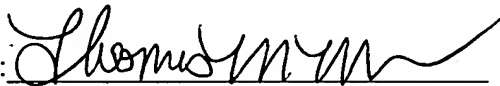

Applicants respectfully request, pursuant to 37 C.F.R. §§1.56, 1.97 and 1.98, that the art listed on the attached PTO-1449 form be considered and cited in the examination of the above-identified continuation-in-part patent application.

A copy of the cited foreign patent document is enclosed herewith, for the convenience of the Examiner. The enclosed document is a communication from the International Preliminary Examining Authority in a foreign counterpart of this case (*i.e.*, the communication pertains to International Application No. PCT/US04/08966, which is a foreign counterpart of the present U.S. Pat. App. Ser. No. 10/808,188 application).

The enclosed document comprises (a) a Notification of Transmittal of International Preliminary Report on Patentability (for International App. No. PCT/US04/08966); (b) the International Preliminary Report on Patentability; and (c) an annex, which appears to be a listing of the set of claims that was under consideration by the International Preliminary Examining Authority.
